**Agenda:**

- Review of Previous Minutes
- Review of complain reported
- Monitoring and Evaluation
- Awareness Programs and Initiatives

**Resolution:**

- The Anti-Ragging Committee expresses its appreciation for the ongoing initiatives and efforts undertaken to create awareness, prevent ragging, and support victims within the institution.
- Information about complaints regarding ragging has been collected from all the departments of the college and from the central complain box. However, no complaint has been found regarding the same.
- The committee emphasizes the importance of enhancing communication strategies to disseminate information about anti-ragging policies, reporting mechanisms, and the consequences of engaging in ragging.
- The committee commits to regular monitoring and evaluation of its initiatives, measuring their effectiveness, and making necessary adjustments to continually improve anti-ragging measures.
- The committee will actively engage in organizing awareness programs, workshops, and campaigns to educate students about the consequences of ragging and the importance of maintaining a respectful and inclusive campus environment
